

OFF-HIGHWAY ADVENTURE TOUR SERIES

Rock-otillo! The Geology of OW

Whoever said that time travel isn't possible never took a look at a rock! Take a trip back in time with one of our staff geologists, and look at the past through the rocks beneath your feet. Ocotillo Wells has some spectacular geological formations and they tell the story of our past, present and, sometimes, our future. Be prepared to "rock out" at Ocotillo Wells!
